

Action Areas

As the name implies, the City's Comprehensive Plan includes all areas for which the city needs planning. The topics and issues addressed are interrelated pieces that cannot be considered without looking at their relationship to each other, and to the whole. The seven action areas set a framework for discussion about the Lake Oswego community. The action areas tie together diverse topics that relate to common themes and systems. The Action Areas include the state wide planning goals as indicated.

 <p>Community Culture</p>	<p>Education • Arts • Recreation • History • Civic Engagement</p> <p>Goal 1 - Citizen Involvement Goal 5 - Open Spaces, Scenic and Historic Areas, and Natural Resources, Section 7: Oswego Lake, Section 8: Historic and Cultural Resources Goal 8 - Recreational Needs Goal 11 - Public Facilities and Services Lake, Section 5: Administrative and Government Services, Energy, Communications and Schools Goal 15 - Willamette River Greenway</p>
